

The FIG logo consists of the letters 'FIG' in white, bold, sans-serif font, set against a red rectangular background. The background of the entire slide features a faint, light blue grid pattern and a sketch of a city square with a large domed building (the Helsinki Cathedral) and people walking. There are also some abstract orange and green brushstrokes in the top left corner.

The Task Force Outcome

- Final Report on the situation in the target countries or the ECE Region will be presented in the FIG Congress in Istanbul in 2018.
- The report has a value in itself for the countries in question.
- The report should also give a non-region-specific view on the problems and challenges, and provide tools to deal with them for the governments and professionals on a more global scale.
