Nominee's statement	
My motivation to be FIG Vice President:	<p>FIG is a global organization that has significant intervention, while maintaining cooperation with important institutions.</p> <p>In this context, FIG has the potential to help every surveyor in the world, as well as society, with its actions and interventions.</p> <p>During my term as Vice President, I will do what I can, to support the president and seek to:</p> <ul style="list-style-type: none">- Represent the new generation of surveyors more, although I no longer belong to it. Like any organization, FIG, in order to remain active and dynamic, must take care of its continuity,- Represent more surveyors who work as freelancers and especially in countries that are not developed and the development of technology is slow to reach them,- Reduce the translation gap between the representatives and the participating countries,- Contribute to building a strong professional surveyor through greater interaction between FIG national members,- Transfer of good practices in issues that concern the surveyor,- Help the national members to support defend the interests of our profession,- Improve the branding problem of our profession and to strengthen its presence in the mass media locally, regionally and globally,- Improve for sharing experiences between different countries,- Organize more online seminars with good practices, information, etc.- Improve the communication of the work of the commissions to the FIG members,- Activate the inactive members of FIG,- Develop further the Young Surveyor Network regionally and globally.
What I can offer in support of FIG's aims and objectives:	<p>I believe that I am suited for the post of Vice President as I am already a through experience in professional politics and I am eager to serve TCG and FIG with my diplomatic skills.</p> <p>I am high experienced in the administration of professional associations and capable to forward their claims in the public discussion (government, media, social media) and so, I am suitable to contribute to the improvement of FIG's extroversion.</p>
My key skills for the Vice	Team player, organized, experienced in operational management,
