

FIG Task Force on Institutional and Organisational Development

Iain Greenway

Organisations

- Professional surveying associations
- Government agencies (mapping, cadastral, hydrographic.....)
- Private sector firms
-

Key questions

- Where are the **key barriers** to effectively functioning institutions and organisations? (These blockages could be systemic, financial, skills-based, structural,...)
- Who are the **key influencers** who can help to remove the barriers?
- What **key materials** are needed to remove the barriers?
- Which **types of organisation** are most affected and therefore most in need of the Task Force's early attention?

Possible activities and outputs

- Running **workshops** to assist managers to determine the key challenges and to give them the tools and confidence to respond to those challenges;
- Creating **best practice guides** on, for instance: implementing organisational development; managing technical change; sourcing funding for investment;
- Making **links** between those who are willing and able to travel to developing countries to support their organisations.
